

# “Child abduction

or disappearance is a parent’s worst fear. I hope you’ll take just a few minutes to fill out this important kit. If the unthinkable happens, you’ll be glad you have this information on file.

I will do everything in my power to protect our children, but parents are our first line of defense against the dangers we face.”

# PROTECT

**YOUR PERSONAL CHILD  
IDENTIFICATION KIT.**

This document will serve as a reference to help the police locate your child faster.

Fingerprint all of your children, no matter what their age. Infants and toddlers should be re-fingerprinted until the age of three. Children older than three should be re-fingerprinted only if the prints are damaged, or if your child has an accident that scars their fingers.
